OVERVIEW

St. Monica Preschool is a state licensed program that provides an age appropriate faith and academic experience for three and four year olds. Our program offers developmental, curriculum-based activities that promote social, emotional, academic, and spiritual growth.

Our preschool theology program centers around *The Catechesis of the Good Shepherd*, a Montessori based, hands-on religious program that focuses on the faith development of each child. Lessons are introduced at the beginning of the week, and reinforced through student–teacher interaction.

STAFF

Both of our Preschool programs are taught by experienced, certified teachers with the support of an aide. St. Monica School adheres to the rules and regulations of the State of Michigan and requires criminal background screenings on all staff.
