

St. Monica School
Building a Foundation of Faith

Dear Parent or Guardian:

As part of St. Monica's pest management program, pesticides are occasionally applied both inside and outside the building. You have the right to be informed prior to any pesticide application to the school grounds and buildings. In certain emergencies, pesticides may be applied without prior notice, but you will be provided notice following any such application. If you need prior notification, please complete the information below and return to St. Monica School office.
