All items listed above may be found in either the Schoolbelles, Educational Outfitters, or Lands End catalog. Many local stores carry uniform school wear. If you do not purchase from these companies, you must be sure the items look exactly like those featured in either of the above-mentioned catalogs/stores.

Our uniform policy allows only the above-mentioned wear. In the past, many varieties of styles have been accepted. Current styles and fad clothing are not acceptable. Students who do not follow the dress code will be given one verbal warning for the first infraction. A second infraction will be addressed through a written "write-up", and a third will result in a Uniform Holiday privilege being revoked.
